City Sales Tax To Be Studied

December Goal For Tax Report

A report and recommendation is expected in December by the 9-man Randall County tax advisory committee, members of the committee disclosed Tuesday night at a meeting of that group.

The committee met for two hours in the district court room of Randall County court house but came up with nothing concrete.

Louis Henders gave a report on the history of taxation in the county. Charles Gerald and Larry Wright reported on some comparative valuations in the county.

The committee agreed that the primary discussions by the committee should center on comparison of land taxation to taxation of urban real estate in the county.

Hugo Lowenstein, regarded as a tax expert, told the committee that a house in the country should be taxed at about half the base as that applied to a comparable home in the city. He said this is based on market value.

Urban real estate is taxed on a basis of 100 percent of cost, less depreciation and rural houses are taxed on a basis of 45 to 50 percent.

Grassland in the county is on the tax rolls at from \$9 an acre

to \$35. Dry farm land is on the rolls at from \$55 to \$90 and irrigated land at \$175 an acre.

Tax Assessor-Collector Bill Money told the committee that he knows of no land in the county having been sold for less than \$100 an acre in recent years.

He cited some irrigated land sales at \$400 to \$500 an acre and some dry land farms at more than \$100 an acre.

Farmers on the committee complained that land is bringing unrealistic prices, cannot be farmed profitably at those prices and should not be taxed

Train Strikes Pickup Truck

A Southwestern Public Service Company pickup was struck by a Santa Fe freight train here shortly before midnight last Wednesday.

The driver, Marion Allen, and his companion, Cecil O'Donald, were traveling south in the company vehicle when it was struck by the train.

O'Donald, who said he and Allen sustained only minor bruises as a result of the collision, said the train was not noticed by either as a heavy rain was falling.

"Then it found us," he said of the train as it struck the driver's side of the vehicle. He estimated the train pushed the pickup about 36 feet down the tracks.

The only thing that saved the pair, O'Donald explained, was the slow movement of the train when it struck the service vehicle.

The two were returning from an emergency service call west of Canyon when the accident occurred.

Inspection Stickers Available

Motor vehicle inspection stickers for 1969 are available from several local stations.

Among those stations authorized to inspect vehicles are Jess Ford, Imperial Chevrolet, Doris Garage, Randall Motors, McGroom Garage, Stevenson Pontiac and Warwick Garage.

The vehicles must be inspected by April 15, 1969.

Heavy Heist Is Reported

Randall County Sheriff's deputies are still shaking their heads following the report of a theft here sometime last week.

It seems someone not only took a 150-pound anvil from the Heath-Lawless Machinery Company but an angle-iron stand as well.

Deputies said the anvil was painted black and had a red vertical stripe on one side.

Yippies Organized Democrat Asserts

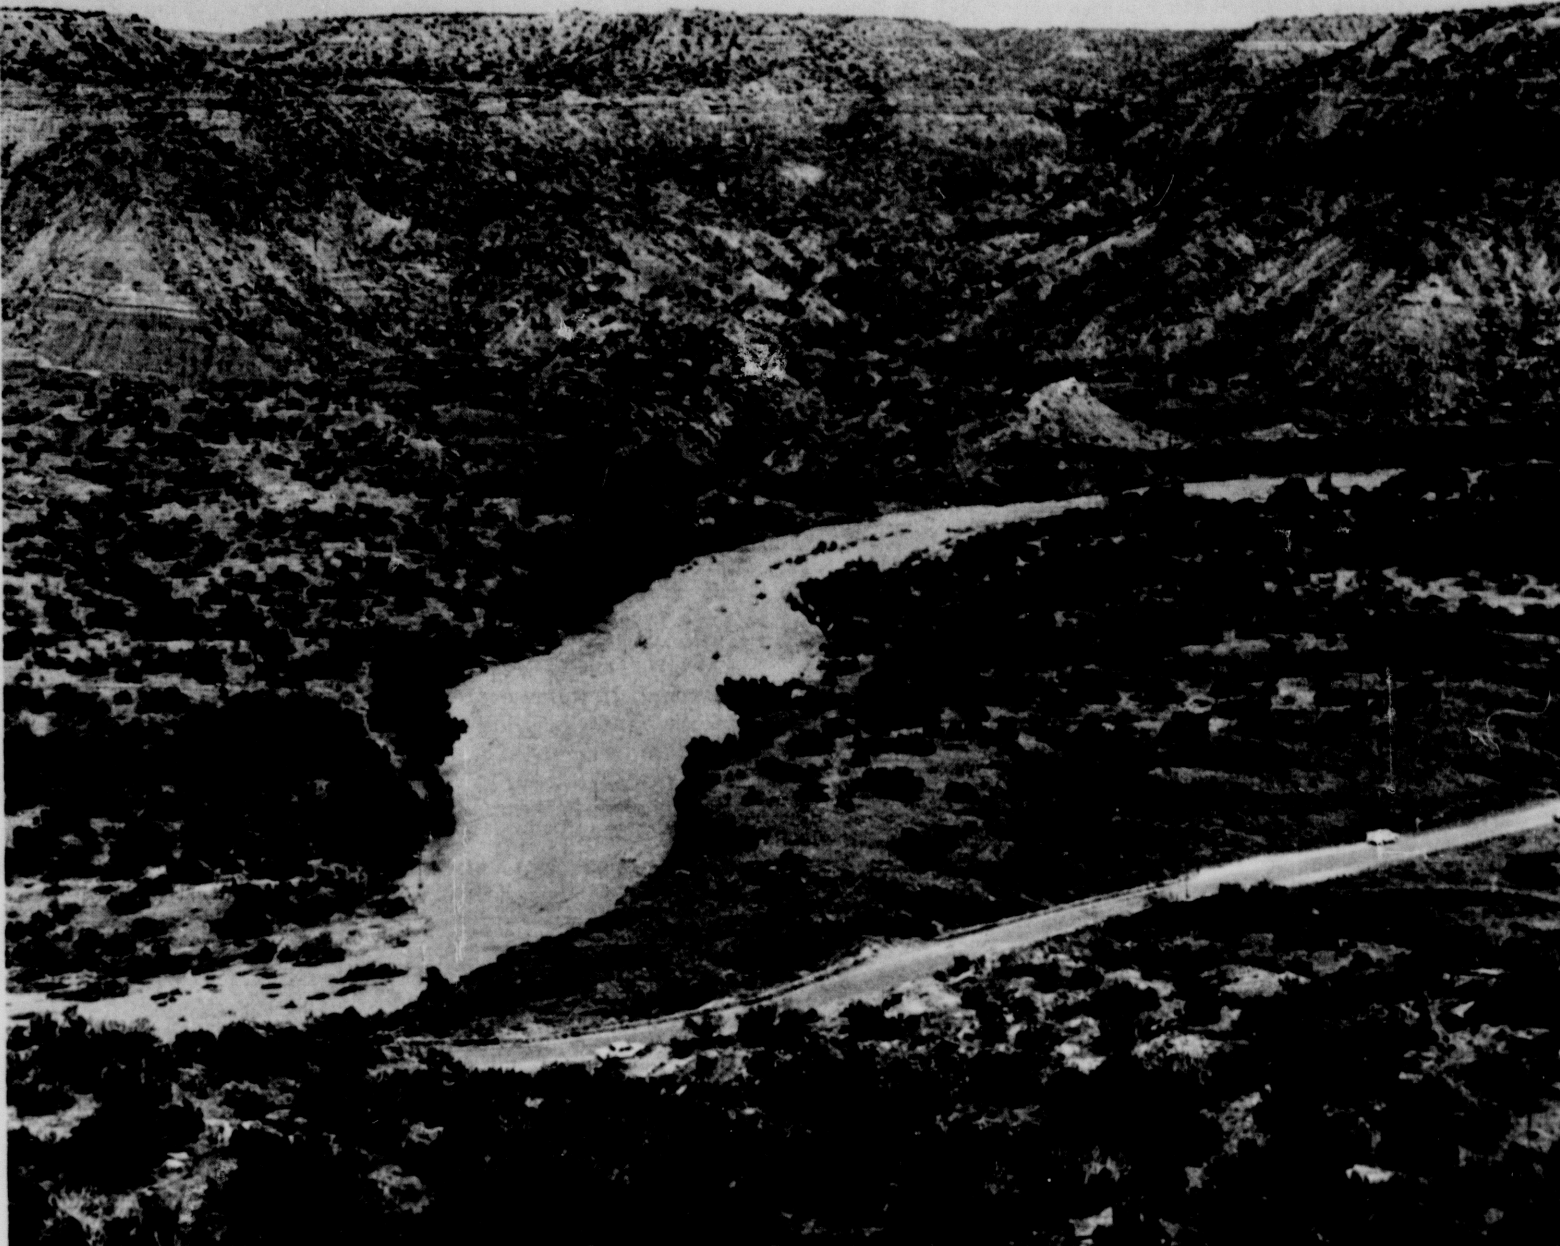

Dee Miller told the Canyon Lions Club Wednesday that he is convinced that the hippies and yippies who precipitated street fighting in Chicago during the Democratic National Convention were briefed and well organized.

"Those people were organized to do those things," declared Miller, Amarillo attorney and an alternate to the national convention.

Miller said he could not get a key to his room at the Conrad Hilton Hotel when he arrived because hippies and yippies had rushed the hotel lobby and made off with the keys.

"The management had to go out and get more keys made before we could get in," he declared.

Miller said the trouble makers released nausea gas in the hotel lobby and the stench remained in the rugs throughout

Campers Stranded

Big Rain Floods Area

BY WAYNE BOARD
Torrential rains--as much as 9 inches in places--deluged Canyon and vicinity Wednesday night of last week.

Scores were stranded by high water in Palo Duro State Park. Homes were damaged by flood waters in Canyon, the Palisades and at Lake Tanglewood.

Streets were damaged in the city. Roads were washed out elsewhere.

The rain gauge at West Texas State University caught 7.87 inches although more moisture was reported in other sections of the community.

Cloud burst followed on the

heels of cloud burst Wednesday night after 1.43 inches had fallen Tuesday.

The Wednesday downpour began here about 6 p.m. and continued for about three hours. Another torrent hit the community shortly after midnight and continued into the morning hours.

"This is the most rain I ever saw at one time in my life," commented Wes Kleinschmidt who has lived in the Canyon community for the past 58 years.

Officials at West Texas State say it tops any rain to fall since the beginning of weather statis-

tics at the school in 1951. Prairie Dog Fork of the Red River in the largest state park in Texas was overflowing late Wednesday night and more than 50 tourists were trapped until an airlift evacuation could begin.

A large amount of food had already been taken to the stranded tourists, via helicopter, before rescue operations began. The foodstuffs were donated by the Greater Amarillo Chapter of the American Red Cross.

Helicopters came in from Reese Air Force Base at Lubbock.

Park officials Wednesday evening warned tourists of rising waters in the canyon and by shortly after 7 p.m. the level of the creek had risen to more than 12 feet.

Thirteen campers were rescued Thursday afternoon and 29 more were airlifted to safety Friday.

The tourists were taken to the parking area of the Pioneer Amphitheatre by the copters and then taken to High Plains Children's Home north of here by Canyon school buses.

The only reported injury in the park was to a 15-year-old girl who fell some 75 feet and fractured her hand. She fell from the rim of the canyon.

Water gushed over the service spillway and the emergency spillway as well at Tanglewood.

Registration At WT Monday

Registration at West Texas State University will begin Monday at 8:30 a.m. with freshman orientation in the Physical Education Building.

A second session of freshman orientation is slated Monday at 1:30 p.m.

Freshmen will be counseled Tuesday and registration will begin Wednesday in the WTSU Student Union Building. An assembly of graduate assistants and all full-time graduate students is slated for 1:30 p.m. in the old Administration Building auditorium.

Sophomores and upperclassmen will register Sept. 12 in the SUB and the third and fourth

sessions of freshman orientation are scheduled at 9:30 a.m. and 1:30 p.m., respectively.

Further registration for sophomores and upperclassmen is slated Sept. 13 and the fifth session of freshman orientation is set for 8:30 a.m.

Evening-only students and late arrivals will register Sept. 14 in the SUB. This is the last day for payment of fees without (See REGISTRATION, Page 4)

Public Hearing Slated Sept. 19

A public hearing, conducted by the Canyon City Commission, will be held Sept. 19 to hear residents views concerning the closing of Seventh Street between Fifth and Sixth Avenues.

The public hearing, originally slated two weeks ago but cancelled when a quorum of commissioners was not present, is scheduled for 7 p.m. in the City Hall Annex.

Trustees of the Canyon Independent School District have requested the street be closed to allow for the construction of a new junior high school complex,

Canyon Officials Attend Meet Today

Canyon City Commissioners and Mayor Paul Lindsey said Tuesday they would meet today, Thursday, with representatives from other area towns to discuss a one per cent selective sales tax.

The meeting will be held in Amarillo's Coronado Inn at 7 p.m. and is a work session for Area V of the Texas Municipal League.

Plans for the meeting, discussed at a regular commission session Tuesday, were explained by Mayor Lindsey who said gathering would be to determine if, when and how the various cities of the Panhandle plan to present the sales tax issue to their respective voters.

Action by the Texas Legislature last year allows cities to adopt an optional one per cent sales tax. When the sales tax issue came to a vote in Austin, Canyon city commissioners adopted a resolution endorsing action that would place the matter on record for

future voting. Canyon and other surrounding towns have withheld bringing the matter before the voters because Amarillo residents have not balloted on a sales tax.

"If Amarillo votes on it," Mayor Lindsey said of the optional sales tax, "I think we ought to go along and vote on it at the same time."

Noting that the "real property tax is awful heavy", the mayor said he felt the local sales tax would be a means of distributing taxation to those who benefit from city services.

"This is a real fair means of taxation," declared Commissioner Ken Olsen.

The mayor said he felt a "lack of communication" between the citizenry and the commission was the largest stepping stone in informing the public of what a city sales tax would mean to Canyon.

"I'd hate to have it and Amarillo not have it," said Commissioner Felix Pierce.

In other business, commissioners discussed plans for selling several lumber sheds at the M. B. Sims Lumber Company. The company building and property was purchased recently for \$45,000 and is to be used as the future site of a City Hall.

Plans now call for moving the City Secretary, Corporation Court Judge and Police Department into the main portion of the old lumber company when the

Two For One On Tickets

When local residents purchase their season tickets to the Canyon High School football games this fall, they also receive a one-year membership in the Booster Club.

Season tickets, which are available at six locations here for \$8 per person or \$15 per couple, can be used for five home games.

Those local business establishments selling tickets are The Pharmacy, Byrd Pharmacy, Humble Service Station, Canyon High School, First National Bank and West Texas State Bank.

Membership in the Canyon Eagle Booster Club, that meets each Tuesday at 8 p.m. in the CHS Cafeteria, normally sell for \$2 each.

The Eagles will host Spearman Sept. 27 at 8 p.m. for their first home stand.

West Texas State's littlest Buffalo is shown here in his football suit at the Buffalo scrimmage Saturday. He is Ty Harrington, 4 years old, son of Coach and Mrs. Lee Harrington. With him is Paula Kerbel, daughter of Buffalo Head Football Coach and Mrs. Joe Kerbel. Harrington is defensive line coach for the Buffs.

O'Donald Stationed At AAFB

Lt. Col. Robert O'Donald of Canyon has been named Army Contact officer for Bell Helicopter Corporation at Amarillo Air Force Base.

Robert is a son of Rusty O'Donald of Canyon.

The O'Donalds presently are living in Amarillo.

During the early days of the Vietnam conflict O'Donald was personal pilot for General Paul Harker, predecessor to General William C. Westmoreland.

Robert is a native of Canyon.

'TEXAS' Ends Third Season

"TEXAS", musical drama presented each summer in Palo Duro Canyon State Park, closed its regular season in the Pioneer Amphitheatre Monday.

A total of 64,956 viewed the production this summer, compared with 64,925 last year. Attendance figures for the 1968 season probably would have been higher but rains cancelled four of the scheduled performances. There were no rain-outs last year.

Thus far in the show's three years of presentations, more than 191,000 people from all points of the globe have seen the musical drama written by Paul Green of Chapel Hill, N.C. The music was scored by Isaac Van Grove.

Attendance this year averaged 1,160 people per performance and every state in the US and Alaska and Hawaii was represented.

The entire cast of "TEXAS" left Canyon Wednesday for San Antonio and a performance at HemisFair. The trip was arranged by L. Pete Gilvin, president of the show's sponsoring Panhandle Heritage Foundation.

FROM THE CANYON RIM

Area cities are going to study a city sales tax proposal.

If it is going to work, it must be on an area-wide basis. Amarillo is the key. If Amarillo won't adopt a sales tax, I don't see how any other Panhandle towns can do it.

You can readily see what would happen to merchants in a sales tax town neighboring one without it. They would lose a lot of business to the neighboring tax-free town.

I think a sales tax would be a fair means of handling our local tax situation. That way everyone who uses city facilities would have an opportunity to help pay for them.

I have said before and I'll say again, we must move away from the ad valorem tax system. Ad valorem tax is the most unfair tax man has ever devised.

I admire the spunk of Mayor Richard Daley of Chicago.

His police force handled the riots during the Democratic National Convention in a most commendable manner.

Anyone who doesn't have better sense than to gang up on the streets, block traffic and shout obscenities deserves to have his head cracked.

I hope we use the Daley formula here if we are ever confronted with mob violence. An aching head can be a good reminder to an anarchist to keep the peace.

We may be facing a crisis

at West Texas State University and I hope the people of this area won't forget it.

In a recent news letter, West Texas State University got high priority on the target list of the Students for a Democratic Society--the same group which wrought havoc at Columbia last spring.

Here's what FBI Director J. Edgar Hoover had to say on the subject of SDS:

"Encouraged by their success at Columbia, the anarchists in the New Left movement are boldly spreading the word that they intend to 'create two, three, many Columbias,' in the manner of one of their heroes, Che Guevara, the Cuban revolutionary who cried 'create two, three, many Vietnams!'"

"The main thrust of the New Left movement arises from the concerted efforts of the Students for a Democratic Society. Many of its members and some of its national leaders openly profess their faith in communist concepts and their determination to 'restructure' our society. One of the militant spokesmen of this group stated, for example, that 'perhaps 25 universities linked to the movement would be too much for the police -- for the dominant class--and we would get what we demand.'"

"The New Left leaders plan to launch a widespread attack on educational institutions this fall. They are relying on collegiate dissidents and militants to bolster and accelerate this

drive. It would be foolhardy for educators, public officials, and law enforcement officers to ignore or dismiss lightly the revolutionary terrorism invading college campuses. It is a serious threat to both the academic community and a lawful and orderly society."

I am convinced that only courage and determination on the part of the WTSU administration can prevent us having a "little Columbia." The people of this area should not miss an opportunity to let Dr. James P. Corneille, WTSU president, and Dr. T. Paige Carruth, dean of student life, know that we want them to stand firm and that we will stand with them.

I thought Hubert Humphrey tried to woo the McCarthyites in his acceptance speech at the Democratic National Convention.

I interpreted his address as having implied criticism of Mayor Daley's handling of the riots at the convention.

I know Humphrey has said one of his first acts as President would be to fire J. Edgar Hoover, that grand old warrior in freedom's fight against international communism. Nothing would please the hippies and yuppies more.

The US News & World report brought out a fact this week that has gained little attention in the present Presidential scramble.

In event none of the three top candidates receives a majority of electoral votes, the President ordinarily would be chosen by the House of Representatives.

However, the electors of George Wallace could caucus prior to the Electoral College meet and turn into king makers with whom to be reckoned. They could hold the balance and inflect name the next President.

Girl Injured In Park Fall

Patricia Robertson, 15 years old, Enoch, escaped with bruises and a fracture of the left hand Thursday last week when she fell almost 75 feet from the rim of Palo Duro Canyon.

Patricia, members of her family and friends were in the Canyon on an outing. She is the daughter of Mr. and Mrs. Bradley Robertson of Enoch.

The party took ski lift chairs to the rim. Friends said Miss Robertson was sitting on a sand stone ledge on the brink of the canyon when the sand stone gave way.

She fell some 50 feet and struck the sloping side of the canyon, made soft by torrential rains the previous night. She

was said to have rolled another 25 feet.

If she had rolled a few more feet she would have dropped an additional 200 feet and her chances of survival would have been slim.

Park attendants and members of the Canyon Volunteer Fire Department carried out rescue operations. An effort was made unsuccessfully to signal an Air Force helicopter flying nearby.

Miss Robertson was strapped to a stretcher and carried to the canyon floor. She was rushed to Neblett Memorial Hospital in Canyon.

She was hospitalized overnight and dismissed Friday.

Canyon Man Viewed History In Making

"I've seen this country go from ox carts to airplanes," observed Simon Otis O'Donald Sunday as more than 100 friends and relatives gathered at the Junior Livestock Building to wish him well on his 90th birthday.

Actually, his birthday is Sept. 11 but he observed it early this year for the convenience of those who came to congratulate him.

He numbers among his descendants eight children, 23 grandchildren, and 30 great grandchildren.

The sons are Cecil, Dan and Rusty of Canyon. The daughters are Mrs. Ruth Ridley of Bellview, N. M., Mrs. Es-

telle McCoy, Rialto, Cal.; Mrs. Mildred Webb of Phoenix, Ariz.; Mrs. Kathryn Cavanaugh of Amarillo and Mrs. Marie Breitting of Canyon.

Another daughter, Miss Mary Jean O'Donald, died in 1951.

A son, Truett, was killed in Italy during World War II. He was a member of Company F of the 142nd Infantry Regiment.

Mr. O'Donald was born in Missouri, 16 miles east of Joplin but came to Texas when he was 6 months old. The family settled at Azle, near Fort Worth.

He left Azle in 1908 and moved to Hall County where he farmed in the Lodge community. He raised mostly cotton, maize and cattle.

The O'Donalds came to Canyon in 1923.

Mr. O'Donald was married Nov. 31, 1891. His wife died in 1948 and Mr. O'Donald is now making his home with Rusty at Palo Duro Club.

He has had only one serious illness in his entire life. That was typhoid fever in 1915. He observed his 85th birthday with a twin brother, William. A short time later William died.

He is a member of the Baptist Church and says he hardly knows what liquor tastes like. "I smoke a cigar once in a while," he revealed.

Mr. O'Donald is still threatening to have his grandson, Colonel Robert O'Donald of Amarillo, take him up in an airplane. "I've never flown," he confided.

Colonel O'Donald is a pilot and a veteran of Vietnam.

Mr. O'Donald thinks progress is good.

"I figure someday someone will go to the moon," he declared. "When they get the road smoothed out good I want to go with him but I don't want to make that first trip."

Mr. O'Donald said he plans to live another 90 years. "I hear the first 100 is the worst," he declared with a smile.

Our World

BY ANN BROWN

Thinking Americans are daily amazed at our country's constant gravitation toward a World Government, a World Police Force, and a World Church. Such organizations could exist only through rigid dictatorships.

And if such organizations ever materialize they will spell the end of individual freedom in our time. They will, of course, as have all their predecessors be overthrown eventually.

American citizens have been invited to make contributions to the Association of Human Emergence, Inc., Jefferson County Bank, Box 15008, Denver, Colorado 80215.

According to the Internal Revenue Service, Section 170 of the Code, the contributions are deductible for income tax purposes.

Said tax deductible funds are being solicited for the support of the World Committee for a World Constitutional Convention, Inc., 8800 West 14th Ave., Denver, Colorado 80215.

Here is an organization whose sole purpose is the destruction of our government, either through violence or through the amendment of our Constitution, being supported by tax exemptions.

Yet we are told there are various anti-communist organizations dedicated to the preservation of our constitutional government that have been denied tax exemption. Unbelievable? Why?

Hasn't our government been allowing the IRS to bite the hands that feed it for years? And isn't a huge portion of the money that is squeezed from the overburdened taxpayers being lavished on our enemies at home and abroad?

The City Council in Minneapolis, Minn., wants a World Government? That's all the Communists have ever wanted!

Is there any doubt about who will control said government? Gus Hall, National Secretary

of the Communist Party, U. S. A., in an exclusive interview with the National Council of Churches made the following statement:

Communism and the Church share so many goals that they ought to exist for one another. Our fight is not with God, it's with Capitalism and all the Capitalism has done to oppress people.

Communism goals are almost identical to those espoused by the liberal Church. We can't we should work together for the same things.

Anyone wishing to read Hall's complete text may obtain it free by writing the Committee of Christian Laymen Inc., P. O. Box 285, Woodland Hills, California 91364, and enclosing a stamped, self-addressed, return envelope.

And the Communists haven't infiltrated American churches?

Naturally, if we get a World Government, and a World Church, we will have to have a World Police Force to keep the dissenters in line. There are probably enough descendants of Patrick Henry left in the United States to keep said Police Force well occupied.

History records previous World Governments, and a World Church. None of them hesitated to eliminate dissenters. (Take a close look at Durer's (1471-1528) masterpiece: The Martyrdom of Ten Thousand Christians Under King Sapor of Persia.) What evidence have we that people are any more conforming now than they were then?

Mankind is not so constituted as to tamely submit to being forced into any one mold. How can our law-makers allow our ship of state to drift into such perilous seas? Have they learned nothing from history?

Mrs. Trahan said the stranded people shared what they were able to salvage. Some of them slept in the restrooms. Bedding was wet and they spent Thursday getting it dry.

There was a community effort in preparing meals.

"We had a good lunch Thursday," she reported. "We had

"We cooked on three Coleman stoves. "An English couple who were high and dry brought all their food and shared it. It was a heart-warming experience. It reminded me of the story of the loaves and fishes in the Bible."

Of her ride out of the flooded area aboard an Air Force helicopter--her first flight of any kind--Mrs. Trahan had a one-word description.

SEE THIS GIANT ELECTRIC POWER PLANT SATURDAY AND SUNDAY, SEPTEMBER 7th & 8th, 1 P.M. TO 9 P.M.

Bring the family and see, first-hand, one of the largest electric power plants in the entire southwest. Big enough to serve more than 90,000 average homes or 4 cities the size of Amarillo, the plant is 503 feet long and contains 9 million pounds of structural steel. Its 460,000 kilowatts of electric power is equal to 617,000 horsepower. Ladies are urged to wear low-heeled shoes for comfort while touring the plant.

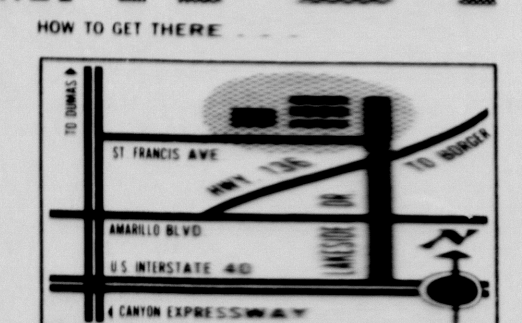

REGISTER FOR VALUABLE PRIZE

Be sure to register for this beautiful water color valued at more than \$300 exclusively painted for this occasion by Stefan Kramar, one of the nation's foremost water colorists. Mr. Kramar is a member of the Texas Water Color Society and prominent in the American Water Color Society. His paintings earn professional acclaim when ever they are shown.

Grand Jury In Session

A Randall County Grand jury late Wednesday was still questioning witnesses in connection with alleged diversion of gate receipts at Palo Duro State Park.

Expected to testify in the case were Jerry Mullican, former park supervisor; J. R. Singleton, Austin, executive director of the Texas Parks and Wildlife Commission; Paul Harris, San Angelo, regional supervisor; Harold Allums, former regional supervisor at San Angelo; and Jo Retta Bloeser and Mike Wilson, Canyon, former park employees.

No criminal charges have been filed in the case.

At a late hour Wednesday the grand jury had not yet reported. Judge Gene Jordan said he would return to Canyon Thursday to accept a report, if any.

The grand jury also considered several other cases.

instigated here after enrollment at West Texas State University ends.

The study, approved earlier this year, will be to determine if there is a need for left-turn indicators at Fourth Avenue and 23rd St. and at Second and Fifth Avenues also on 23rd St.

Commissioners previously approved the left-turn lanes and ordered traffic control devices but rescinded their action after about two dozen business owners complained the move would eliminate too much parking space near Fourth Avenue.

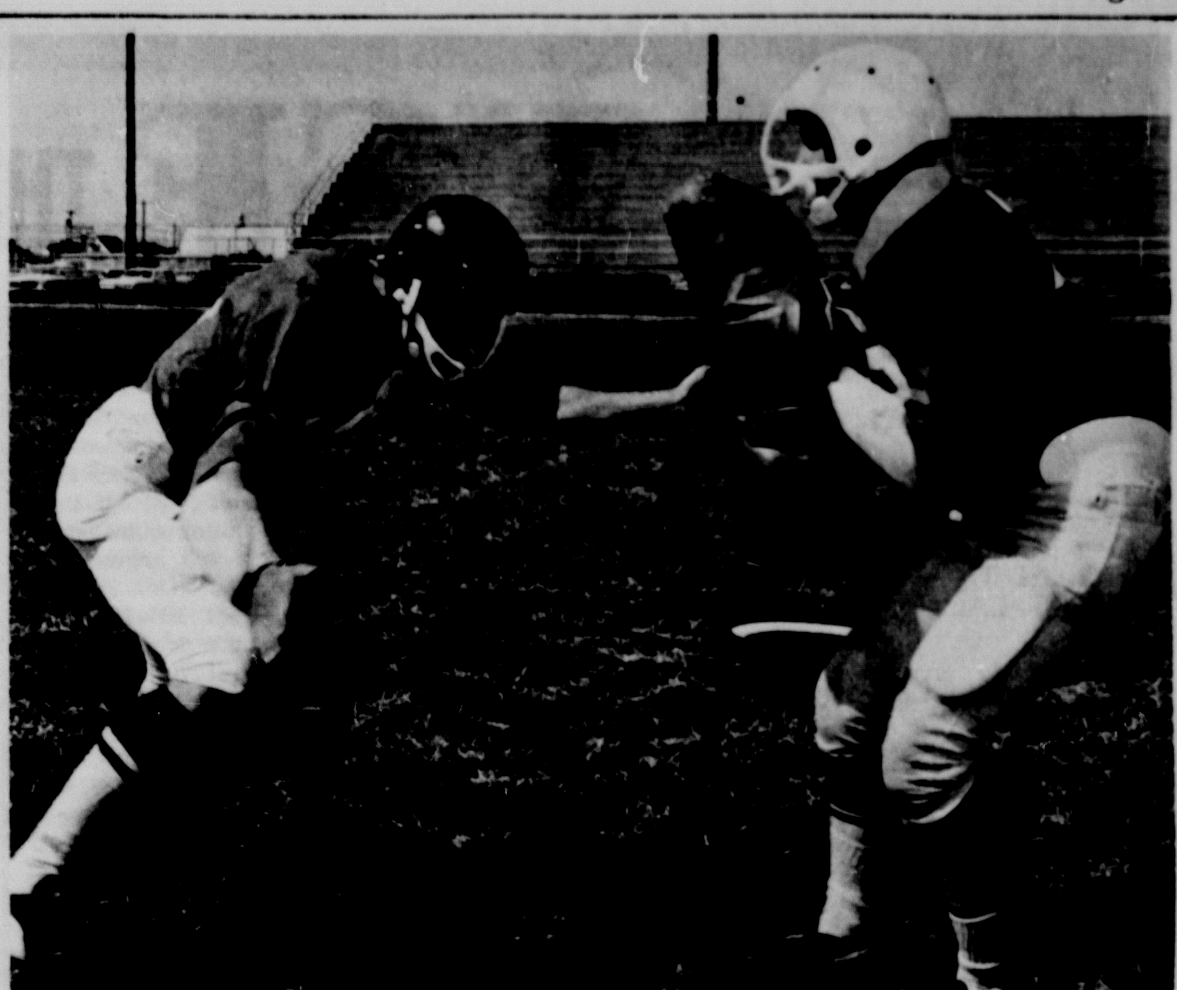

Mayor Lindsey abstained from voting when balloting began to rescind the commission's previous action, stating the matter would be a "dead duck" if the left-turn lanes were not installed as planned.

"I'm willing to go along and do what ever you want to do," the mayor said Tuesday of the commissioner's decision.

The traffic study will involve an hour-by-hour count at the three intersections to determine the amount of traffic at any one time during the day.

An ordinance changing the regular commission meetings to the first and third Thursdays of the month was adopted.

Commissioners have been meeting every other Monday but that time conflicts with the teaching schedule of Olsen who is in the business department at WTSU.

Defense

CANYON EAGLE FOOTBALL defensive team members Bobby Smith, left, and Curtis O'Donald mix it up in rough in tumble action preparing for a busy gridiron schedule this fall. The Eagles will meet Littlefield Friday there at 4:30

p.m. for a scrimmage game. The scrimmage, said Coach Dunny Goode, is open to the public. Workouts are being held daily after school in order to shape the team for the pigskin season ahead.

CITIZENSHIP IS A TWO-WAY STREET

The individual who takes no part in community activities, who fails to support community institutions, deprives himself as well as others of the benefits of community action.

Support of civic and philanthropic activities and institutions provides the services and facilities which no individual can supply but which every citizen at some time may need.

If yours is such an organization, Welcome Wagon will be happy to carry your message. If you have information of interest to our new citizens, please contact your Welcome Wagon hostess, Marcia Durden, OL5-3228.

He told of how a Chicago officer infiltrated the hippies and got hold of a notebook belonging to one of the leaders. Plans for the trouble at the convention was outlined in the diary, he said.

Miller said the second incident was controlled within 20 minutes by the National Guard. He highly recommended the guard for dealing with civil disorders.

"They are very effective," he declared.

"These people (the hippies) don't want to express themselves like you and I do," said Miller. They want it either all their way or none."

He described the crowd of hippies and yippies as being made up of at least 50 percent by people 30 years old or older.

"Television kept referring to them as young people," he went on. "Young people may have been followers. They were not the leaders."

He told of seeing a Jaguar sports car drive up to the scene. Two men got out and joined the mob.

"I don't think these people represent a majority of the people in the country," he asserted.

He was extremely critical of national television coverage of the incidents.

"National television networks should have a little more conscience about what they present to the American people," he declared. "They should show all of it or none of it."

Miller said people of Chicago were firmly behind Chicago Mayor Daley's handling of the disturbances. On Wednesday they carried signs declaring, "We love Daley."

accordingly.

"I don't make a penny out of my house," Money declared.

Developers on the committee said they have real estate in Amarillo which is not bringing in any cash return but remains on tax rolls of taxing agencies.

The advisory committee was appointed by commissioners court earlier this year after several urban taxpayers complained that rural property owners are not paying their share of the county taxes.

The committee has no powers and serves only in an advisory capacity to the court.

Next meeting of the committee will be held at 7 o'clock the evening of Oct. 10 in the business office at West Texas State University.

Rain . . .

(Continued from Page 1)
glewood, but residents at the lake said the combination of the two appeared sufficient to deal with the flood waters.
By late last Thursday the level of the lake had risen to about nine feet above normal.
In the Palisades area, Boxcar Bridge at the entrance to the region was almost under water and heavy debris threatened to carry the structure away.
One resident said the creek, which normally ran about 15 feet deep, "rushed like a river" during the heaviest portion of the flood stage.
At Camp Don Harrington Tierra Blanca Creek rose 30 feet due to more than four and one-half inches of rain.
Mrs. L. L. Hix, a local resident, was stranded in her car from about 10:30 p.m. Wednesday until 2:30 a.m. Thursday southeast of Canyon near the Tommy Hunter home.
Hunter, who said he saw Mrs. Hix' automobile east of his house shortly after 10 p.m., called Nig Carter, Joe Stevens and Jim Westfall to help the woman. Hunter was recently released from the hospital and was unable to aid Mrs. Hix.
"It looked like she backed off in the ditch to keep from drifting away," Stevens said. Stevens said the jeep in which he and the other men were riding flooded out in the water as they attempted to rescue Mrs. Hix.
A passing truck driver from Liberal, Kans., who had become lost in the heavy rain storm, approached the scene and helped Carter guide the jeep through the swift water toward Mrs. Hix.
Meanwhile, Westfall had left the scene in order to telephone

for a unit from the Canyon Fire Department.
"By the time we got back with the fire truck," Westfall recounted, "Nig had got the jeep through to the woman and they went on to Tommy's house because it was closer."
He said Carter and Mrs. Hix then drove in Hunter's pickup back across the water toward the Lubbock Highway.
Westfall, who said water was at least three feet deep in the middle of the road, recounted that "water was running through the stranded jeep like a river".
"Mrs. Hix blinked her lights now and then," he added. "We couldn't do anything about it for a while but it was reassuring to her to know we were close."
While Hunter said the water was "always pretty deep" when large amounts of moisture fell, he said the incident last week marked the first time anyone

had become stranded near his home.
"It was real swift," Hunter said of the water. "You couldn't see the road."
Bill Counsellor, manager of Canyon Airport which is located 1 1/2 miles west of here, said rains started there shortly about 6 p.m. and did not subside until about 9 p.m.
"It seemed like there was a cloud over us all the time," said one of Counsellor's employees, H. B. Zachary.
A large house trailer parked northeast of the airport was turned on its top due to what some believe to have been tornado winds.
"We would have lost two airplanes," Counsellor said, "if we had not had enough men to get them inside in time".
Counsellor said although there was no gauge at the airport, he would estimate between eight and nine inches of

moisture fell in the four-hour period.
In Canyon, where sand, caliche and rocks were washed on to several lawns, the official 7.87 inches was recorded.
Volunteers from the local Canyon Fire Department answered 12 calls to pump water from the basements of homes here and one report of lightning striking a house on Seventh Avenue was made.
Although there was no fire damage at the unoccupied house owned by Frank Adams, there were "peeled shingles", said Canyon Fire Chief Jack Jennings.
Mayor Paul Lindsey said he was pleased with the manner in which the city's new storm sewer carried excess water.
"I shudder to think of what it could have been like without our new storm sewer lines," the mayor said, adding he was driving to various locations

within the city when the rain was the heaviest. He said he wanted to determine if the 40-inch line would handle the water.
The new storm sewer, approved in a \$200,000 package of bonds last April, starts at 24th St. and Fifth Avenue and goes east and south to 28th St. and Seventh Avenue.
This ties the new line to existing facilities.
Local law enforcement authorities were on duty during the rains to answer calls and aid stranded motorists and crews from the Texas Highway Department were kept busy directing traffic away from underpasses where water blocked passage.
As for the agricultural picture in the county, Agent John Brazzil said wheat planting should begin after fields dry.
"We had a lot of blowing dirt Sunday because the ground is dry and crusty on top but still

boggy underneath," Brazzil declared.
Brazzil said he had received no reports of hail in the county and major damage would probably be due to erosion of the soil that was being prepared for wheat planting.
"There will be a lot of repairing of terraces and plowing," Brazzil explained. "The moisture we received will about finish us up as far as our summer crops are concerned."
Ranges and pastures too, he continued, will benefit from the moisture and the rains will probably have supplied "ample" moisture for wheat planting.
At Buffalo Lake National Wildlife Refuge there was only about 2.25 inches received.
Refuge Manager Paul Ferguson said most of the rain that fell centered around the lake proper and none was reported toward Hereford.

Noting the need for rains on and above the watershed, Ferguson said water was 11 feet below the spillway.
"We are," Ferguson said, "about 800 surface acres low at this time."
Below are the readings from the Canyon Weather Station on the campus of West Texas State University. These are for the days of Aug. 28 to Sept. 3.

Day	High	Low	Precip
28	85	64	0.01
29	78	57	7.87

A total of 10.86 inches of rain fell on Canyon in August, 1968. This compares to the 15-year normal of 2.55 inches. The 7.87 inches recorded on the 29th was the largest 24-hour rainfall ever recorded at this station.

Leading Eagle cheers this fall will be, clockwise from top, Shelly Taylor, Ginger LaGrone, Melissa Hicks, Carole Fite, Jenny Lair, and Jan Westfall. Miss Taylor is head cheerleader. The group will lead cheering section action at football games this fall.

New State Resident Registration Begins

Voters who have lived in Texas less than a year must apply for a ballot during a 15-day period beginning Friday, if they want to vote for President and Vice President in the coming general election, according to Randall County Clerk Lee Roy Hutton.

Applicants must appear in person at the clerk's office. "This will be the first time that persons having less than a year's residence in the state will be able to vote in a presidential election, Hutton explained.

A law passed by the Texas Legislature last year permits a voter who moved to Texas from some other state than a year before a general election day to vote for President and Vice President, but for no other offices, if he will have lived in Texas at least 60 days on election day.

"In order to vote," Hutton said, "he must possess all the qualifications required of electors under Texas law except the ordinary residence requirements, and it must also be shown that he was either a qualified elector in another state immediately before his removal to Texas or that he would have been eligible to vote in the presidential election in the state where he formerly lived if he had remained there until election day."

Hutton said that a person who had been issued a voter registration certificate, voter identification card, or other document showing that he was a registered voter in the state from which he moved should take this document with him when he goes to the county clerk's office to apply for a ballot.

If he does not have written proof of his registration, it will be necessary for the clerk to obtain verification of his voting eligibility from the voter registrar or other appropriate election official at the place of his former residence before he will be accepted for voting.

Applications must be filed with the clerk by 5 p.m. Sept. 20. However, the voters will not actually vote until the period of Oct. 21-Nov. 1, when they will return to the clerk's office and cast their ballots.

Hutton said each applicant will be given written notice informing him whether his application has been accepted after the clerk receives a reply from the voter registrar in the state of former residence.

Persons voting in the presidential election under this special procedure need not be registered as voters in the county where they now live.

RAYMOND BAKER

Baker To Vietnam

Private First Class Raymond C. Baker has been home on a 20 day leave after basic training at Fort Leonardwood, Missouri and Fort Devens, Massachusetts.

Baker left for Saigon, Vietnam where he will be with the Army Security Agency. He is a nephew of Mrs. Carlton Patterson and grandson of Mrs. Jewell Webb and Mrs. Lillie Darnell, all of Canyon. He is the son of Mr. and Mrs. Melvin Baker of McLean.

While Baker was home, a family reunion and picnic was held in Thompson Park of Amarillo. Relatives attending were Mr. and Mrs. Melvin Baker of McLean, Mr. and Mrs. Bob Daves of Dimmitt, Mr. and Mrs. Jim Darnell of Hollis, Oklahoma, Mr. and Mrs. Floyd Skipper and Leslie of Alanreed and from Canyon were Mr. and Mrs. Carlton Patterson, Mrs. Jewell Webb and Joe Don, Mrs. Lillie Darnell, and Barbara and Wallace Bernard.

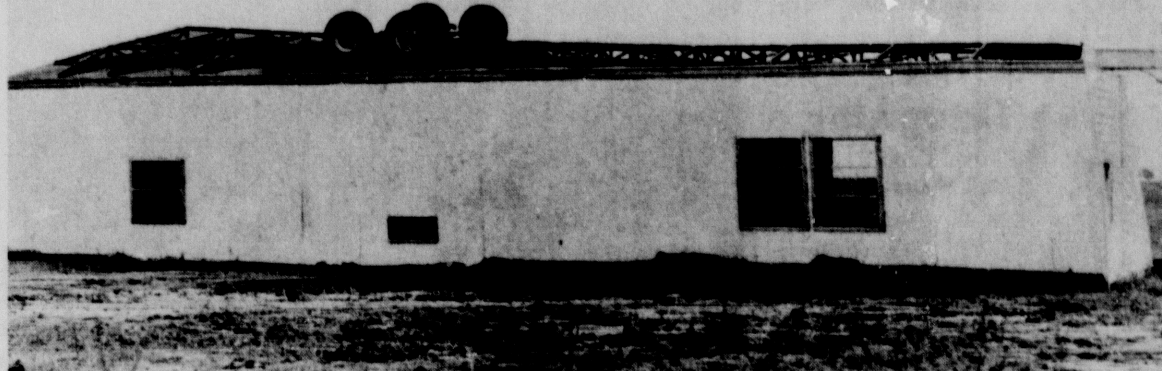

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL5-2141, or stop by the News office on the west side of the square.

This voting procedure, Hutton emphasized, applies only to persons who will have lived in Texas less than a year one election day.

"If a person moved to Texas before Nov. 5, 1967, he must have registered with the county tax assessor-collector in order to vote in the general election Nov. 5, and he will vote in the regular manner on election day," Hutton stated.

However, only those persons who became residents of Texas after Oct. 1, 1967 may register at this time, and they must register by next Oct. 5 in order to vote in the election on Nov. 5.

Registration for persons who became residents on or before Oct. 1, 1967, closed last Jan.

THIS LARGE HOUSE TRAILER, which was peacefully resting on its top following a heavy rain here last week, may have "upended" by tornadic winds. The trailer, which was sitting beside the Canyon Airport building west of the

city, was flipped on its side and then on its top. Workmen at the airport said heavy rains fell for about four hours last Wednesday and approximately nine inches of moisture drenched the area.

Licenses Available

Hunting and fishing licenses expired the last day of August and new licenses may be obtained locally at three locations.

The licenses, good through Aug. 31, 1969, can be purchased at the Randall County Clerk's office, Quik Mart and Western Auto.

Dove hunting season opened here Sunday at 1 p.m. and will continue until Oct. 30.

Those apprehended fishing or hunting without the proper licenses can be fined in justice of the peace court up to \$200.

Scrimmage Set With Wildcats

The Canyon Eagles have completed their two-a-day football drills and have no major injuries.

This is in sharp contrast to last year when many of the team's most valuable regulars had been lost for the season. Head coach Dunny Goode seemed pleased with workouts.

"Practices are going well and the team is progressing satisfactorily," he said.

Canyon has scheduled a scrimmage with the Littlefield Wildcats Friday at 4:30 p.m. in Littlefield. The public is invited to attend all Eagle scrimmages and workouts.

The Eagles had set a scrimmage against Palo Duro for last Saturday at 4:30, but at noon Saturday the Palo Duro Coach George Kirk cancelled the

scrimmage. The reason for the cancellation was a ruling by the athletic director of Amarillo schools allowing each high school only one pre-season

Two Records In Judging

Records of two Randall County 4-H youths are presently entered in state 4-H judging for possible trips to the National 4-H Congress.

Record books of Miss Connie Brazzil and Michael Louis Henders are being judged in the clothing and dairy divisions, respectively.

Miss Brazzil is the daughter of Mr. and Mrs. John Brazzil. Mr. and Mrs. Louis Henders are the parents of Michael.

scrimmage. Canyon used the time Saturday for intra-squad scrimmages by both the varsity and the junior varsity teams. During the scrimmage Canyon stuck to its two-platoon system which seems to be working to Canyon's advantage. The Eagle offense was able to move the ball through the air with regularity, relying mainly on the short passes. The defense seemed stronger

against the running game, often throwing offensive for losses. The session prompted coach Goode to point out, "the team has by no means jelled yet, but they are coming along very well."

T.F. Martins Have Daughter

Mr. and Mrs. Troy F. Martin announce the August 30 birth of a daughter, Amy Lisette. Born at Neblett Memorial Hospital in Canyon, the infant weighed 9 pounds 2 ounces at birth.

The Martins have three other children, Jamie, Kaysee, and Timothy.

Grandparents are Mr. and Mrs. J. P. Horton of Amarillo and Mrs. C. P. Martin of Borger.

New Secretary Hired For City

Jim Walker has been employed as secretary for the City of Canyon, according to City Manager Paul Davis.

Walker graduated from Tascosa High School in Amarillo where he participated in track for two years and was on the baseball team.

Graduating from Texas Tech this summer with a B. A. degree, Walker plans to do graduate work at West Texas State University.

He and his wife, Linda, will live in Canyon.

Walker replaces Johnny Janak who recently resigned to become commercial development officer for the Lower Rio Grande Valley Development Council. The organization is a council of government approach to regional planning and is headquartered in McAllen.

Janak was clerk here for four years and is also a graduate of Texas Tech.

Donnie Patchin centers the ball while Allen Shankles acts as quarterback as Canyon's Kids Incorporated youngsters begin football drills. Other youngsters wait wistfully in the background for their turn. Mike LaGrone is coach for these youngsters.

Cleta 4-H Has Meet

Billy Dugan was elected president of the Cleta 4-H Club at a meeting Friday at the Bill Dugan home.

Roger Dugan presided during

the business meeting which was opened with the 4-H motto being led by Randy Dugan. Also included in the business session were a report from county camp by Jerry Crain, a report on electric camp by Billy Dugan, and recreation led by Ricky Dugan.

Other officers elected were Mike Henders, vice president; Kathy Gist, secretary-treasurer; Rhonda Hales, reporter; Randy Dugan, photographer; Gary Reynolds, parliamentarian; Sharon Henders, council delegate; and Mrs. Louis Henders and Earl Reynolds, adult leaders.

4-H members present were Roger and Kathy Gist, Billy, Randy and Rick Dugan, Sharon and David Henders, Rod and Rhonda Hales, Gary Reynolds and Jerry Crain.

Adults attending were Mr. and Mrs. R. B. Gist and Robert, Mrs. Louis Henders, Mr. and Mrs. Richmond Hales, Earl Reynolds, Mrs. Cristler Crain, and Mr. and Mrs. Bill Dugan and Cindy.

Kids Incorporated Teams Begin Drill

Connor Park was the site Monday for the opening practice session of the Canyon Kids Incorporated football program. The Kids Incorporated program is designed for boys between the ages of nine and twelve. The program consists of a Major League for boys eleven and twelve years old and a Minor League for boys of nine and ten.

Canyon's Major League team, coached by Marion Allen and Eddie Prichard, is in need of more players, while the nine and ten year-old group has nearly enough players for two Minor League teams and is looking for another coach to aid Virgil Belcher and Mike LaGrone. Any boy between the ages of nine and twelve who wishes to participate in Kids Incorporated football should contact one of the coaches. Rosters for the teams must be completed by September 14.

Each of the Canyon teams will play five games over a period of six weeks. Canyon's opponents will be teams of the same age and experience from Amarillo and Fritch.

In addition to regularly scheduled football games, Kids Incorporated players will take part in various other activities. On September 14, all Kids Incorporated players and coaches will be the guests of the West Texas State Buffaloes for the Buff's opener against Lamar Tech.

End Don Moon of the varsity takes a pass while Larry Matthews, defensive halfback, is in hot pursuit in the intra-squad scrimmage at Buffalo Bowl Saturday. The scrimmage was impressive. Coach Joe Kerbel's Buffaloes are girding for their first game here Sept. 14 with Lamar Tech.

Kerbel's Buffs Are Impressive

Joe Kerbel's West Texas State Buffaloes were impressive Saturday afternoon in an intra-squad scrimmage in Buffalo Bowl.

The volatile Buff first unit

offense rolled up 89 points and turned in good performances both on the ground and through the airways.

The Buff defensive starters blanked the offense reserves. Eugene Morris exhibited his All-American credentials by rushing for 296 yards in 17 carries and receiving passes for 127 yards. Albie Owen, fully recovered from a knee operation and playing at 100% efficiency for the first time since his sophomore year, rushed for 400 yards. Coach Kerbel has warned, "No team will let us just run on them."

To dispel any doubt about the balance of the West Texas attack, quarterback Roy Winters, master of the option, passed for more than 400 yards, on 24 completions. The play of the veteran offensive line, including such standouts as Dag Azam, Eddie Golecki, and A.Z. Drones, was in a big way responsible for the offensive showing.

The defense with only four returning lettermen did shutout the offense reserves, but on occasion showed its inexperience. Linebacker Carl Heilman, linemen Willie Brown and Jesse Powell (formerly of the linebacking corp), and defensive back Billy Lantow (outstanding defender in the Junior Rose Bowl) formed the cornerstone of the Buffalo defense.

The Buffs are now working toward their opening game on September 14 in Buffalo Bowl, when they oppose Lamar Tech.

Lamar Tech, under the direction of coach Vernon Glass, had a record of 7-3 in the 1967 season.

Miss Harman-Drake Are Wed

First Methodist Church of Tulia was the site for the August 27 marriage of Miss Esther Elaine Harman of Happy and John Richard Drake of Tulia. Rev. James Carter, Methodist minister, officiated at the double ring vows. The bride is the daughter of Mr. and Mrs. Victor L. Harman of Happy and parents of the bridegroom are Mr. and Mrs. Lawrence Drake of Tulia.

A lighted arch flanked by two candelabra and baskets of white mums. The arch and candelabra were trimmed with emerald and white carnations and white bows marked the wedding aisle. The couple knelt for prayer on the prie dieu.

Gary Shackelford served as organist. Soloist, Jimmy McClendon, sang, "Whither Thou Goest" and a quartet composed of Jimmy McClendon, Bunnie Harman, Pam Dutton and Terri Carlile sang "Pledge My Love To You", "Walk Hand In Hand", "O Perfect Love" and "May the Grace of God Our Savior".

Candlelighters were Mikel Harman and Darrich Wade. Bridesmaids were Marge

Fall Blooms On Exhibit

The eighth annual flower show sponsored by the Canyon Garden Club has been scheduled for October 13 between 2-5:30 p.m. at the Girl Scout Building. "Fallarama" will be the theme for the show which is open to all local exhibitors. The event will have divisions for horticulture and artistic arrangements.

Included in the horticulture division will be chrysanthemums, roses, dahlias, perennials, annuals, bulbs, potted plants and potted patio flowers.

General chairman for the show will be Mrs. Joe Frank.

Bruce of Canyon, Dana Elliff of Tulia and Martha Harman of Tulia. Mrs. Tommy Stewart of Nacogdoches was matron of honor. They wore blue peau de soie A-line formal gowns with bateau necklines and each had a bow at the shoulder. They carried nosegays. The matron of honor was dressed in an ice blue outfit. The attendants had a circle of blue net with clusters of blue leaves.

Roxie Wade served as flower girl.

Best man was Larry Drake of Amarillo, brother of the bridegroom. Groomsman were Garland Wade of Austin, brother-in-law of the bridegroom, and Leron Harman of Happy and Wyatt Harman of Bryan, both brothers of the bride.

Ushering were Tommy Edwards, Bobby Drake, Richard Patzig and Dean Braly.

Given in marriage by her father, the bride wore a formal gown of white peau de soie with lace appliques. The gown was designed by the bride's mother. The bateau neckline was edged in lace as were the petal point sleeves. The float away train was attached at the shoulders with self bows. She wore matching white peau de soie shoes.

Her elbow length veil of imported illusion was held to a cluster of lace and peau de soie petals trimmed with pearls and aurora borealis. Her flowers were a cascade of white roses and Stephanotis carried atop a white Bible. The traditional blue garter was made by the bridegroom's mother and the bride had an heirloom gold pin pinned to her Bible and carried the traditional penny in her shoe.

The reception was held in the church fellowship hall with Mrs. Garland Wade, sister of the bridegroom, and Mrs. Wyatt Harman, sister-in-law of the bride, presiding at the table. The table was laid with a white lace cloth over satin and crystal and silver appointments were used. The wedding cake was three-tiered with a miniature bridal couple under an arch trimmed with a wedding bell. Miss Brenda Drake registered guests. Other members of the houseparty were Bunnie Harman, Pam Dutton, Terri Carlile, Mrs. R. W. Shackelford, Mrs. Hubert Rector, Mrs. D. S. Burlesmith and Mrs. Otis Harman.

For a wedding trip to Acapulco, Mexico, the bride changed to a two-tone blue Italian knit three piece suit featuring a light blue jacket and skirt and medium blue shell. Her jewelry was a pearl necklace and earrings and her corsage was roses lifted from the bridal bouquet.

The couple will establish their home at 4111 16th St. in Lubbock.

A graduate of Happy High School, the bride attended North Texas University, West Texas State University and is presently a senior at Texas Technological College majoring in elementary education. She is a member of the Student Education Association.

The bridegroom graduated from Tulia High School and is attending Texas Tech where he is a senior business management major and is a member of the Society For Advancement of Management.

University Chapel Site Of Nuptials

Joseph A. Hill Chapel on the campus of West Texas State University was the scene of a double ring marriage ceremony uniting Miss Shirley Lee Gill and Warren Hall Baker August 29.

Rev. James Merrell of the United Methodist Church of Happy officiated.

The bride is the daughter of Mr. and Mrs. Quentin W. Gill of Happy. Parents of the bridegroom are Mr. and Mrs. Warren J. Baker of Amarillo.

A white satin kneeling bench was placed before the altar which was centered with a gold cross and flanked by tapers in gold holders. The chapel was decorated with baskets of white gladioli, mums and blue baby mums.

Miss Linda Lewis of Happy sang "The Twelfth of Never" and "How Do I Love Thee" at the conclusion of the ceremony after the wedding couple repeated the Lord's Prayer. Miss Lewis also sang "The Lord's Prayer". She was accompanied at the organ by Mrs. Elbern Wallace of Happy.

Maid of honor was Miss Dixie McGehee of Happy. She was attired in a formal length dress of blue crepe. The empire waistline of the gown was accented with blue satin which terminated in a bow and streamers in the back. Her headpiece was a blue satin rose with a veil of blue illusion and she carried a nosegay of white baby mums accented with blue baby mums.

Pat Williams of Amarillo was best man. Ushering were Henry Gill of Happy, brother of the bride, and George Blair of Amarillo.

The bridegroom's sister, Miss Judy Baker of Amarillo, presided at the guest register.

Given in marriage by her father, the bride wore a formal wedding gown of white silk bridal crepe and Chantilly lace. The dress was styled with a yoke and long tapered sleeves of French lace. The chapel sweep train of Chantilly lace was held

at the shoulders. Her veil of English illusion was attached to a coil of illusion petals, seed pearls and irridescent. She carried a bouquet of white roses centered with gardenias.

In traditional lines, the bride carried a handkerchief that was over 100 years old made of linen and handmade lace which she borrowed from her aunt, Mrs. Lela Gadlock of Texas City. She wore the traditional blue garter, and the coin minted the year of the bride's birth was borrowed from Tommy Forsyth of Happy.

A reception was held in the Baptist Student Center where the tea table was laid with a white satin cloth. The tiered wedding cake was decorated with white roses, bells and topped with a miniature bride and groom. The cake was served by Mrs. Jack Hardwick of Fort Worth and Miss Louise Ross of Amarillo served the punch. The reception table was centered with an arrangement of white gladioli, mums and blue baby mums flanked by white tapers in silver holders.

The couple gave a toast in silver goblets, which were a gift from the best man, Pat Williams.

Others in the houseparty were Miss Randi Holman of Midland, Miss Mary Wallace of Happy and Miss Judy Baker, who distributed blue rice bags on a silver tray.

For travel, the bride chose a yellow knit suit and her corsage of gardenias was lifted

Mrs. Bobby L. Woodward

Miss Patterson Weds Woodward

Miss Woodna LaDaine Patterson and Bobby L. Woodward were united in marriage Saturday evening at Calvary Baptist Church of Canyon with Rev. H. D. Freeman, pastor of the church, officiating at the double ring rites.

The bride is the daughter of Mr. and Mrs. A. G. Patterson,

north of Canyon, and the bridegroom's parents are Mr. and Mrs. Loyd Woodward of Amarillo, formerly of Canyon.

Given in marriage by her father, the bride wore a gown of embroidered nylon Schiffli tulle with a Sabrina neckline and short shirred sleeves of embroidered lace. The four

tiered skirt of embroidered lace ruffles alternated with ruffles of illusion was swept into a chapel train. Her mitts of nylon tulle accented the ensemble. The bride held a fingertip veil of imported silk illusion. The bride carried a nosegay of white roses.

Darlene Whatley of Jal, New Mexico played the organ. She presented traditional wedding music and "Twelfth of Never" and "Always" at the organ.

The altar was backed with a round candelabra bearing lighted tapers and accented with greenery and flanking the wedding party were seven-bract candelabra with greenery. Family pews were marked with bows.

JaToni Patterson of Amarillo, sister of the bride, was maid of honor. Others in the wedding party were Jelene Ballard of Killeen, sister of the bridegroom, as bridesmatron and Petra Ramirez of Petersburg and Martha Hines of Quanah, cousin of the bride, as bridesmaids.

The bridal attendants were dressed in light pink gowns with short sleeves. Bows were attached at the shoulders and each carried a single rosepink rosebud. They wore white accessories and complemented the ensembles with pink bows holding pastel pink tulle.

Ringbearer was Kody Patterson, brother of the bride, and the flowergirl was Dana Martin of Jal, New Mexico, cousin of the bride. Candles were lit by those who ushered.

Best man was Johnny Leslie of Amarillo. Groomsman were Mark Jolly and Sherman McCarter, both of Canyon, and Larry Hines of Quanah. Ushering were Bill Mayfield of Canyon and David Lloyd of Borger.

A reception honoring the couple was held in Fellowship Hall of the church where the table was laid with lace over pink and centered with a four tiered wedding cake featuring pink and rose, the bride's selected colors. The centerpiece was a bouquet of pink roses flanked by tapers.

Serving at the table were Judy Estes of Tulia and Johnette Clement of Canyon. Guests were registered in the bride's book by Jenelle Woodward, sister of the bridegroom.

For a wedding trip to Red River, New Mexico, the bride changed to a white dress accented with black polka dots and a black bow at the empire waistline. Lace ruffles accented the neckline and long sleeves. She wore a rose corsage lifted from the bridal bouquet.

The couple will establish their home at Fort Hood, Texas.

A graduate of Canyon High School, the bride attended West Texas State University.

The bridegroom attended Canyon and Oklahoma schools and has recently returned from a tour of duty in Vietnam. He is stationed at Fort Hood, Texas and is slated to receive his service discharge in January.

FALL FASHIONS will be presented Friday at the Student Union Building ballroom on the campus of West Texas State University. Sponsored by Chi Upsilon chapter of Beta Sigma Phi sorority, fashions will be furnished by De'Ons of Canyon. Mrs. Delbert Burrows, left, models a black acetate nylon knit with beige and copper stripes featuring long sleeves and a tunic top with flute skirt. Mrs. Jerry Costley, right, is outfitted in a matching sheath dress with long sleeves and high neckline covered with a loose brown jacket featuring an insert of leather and matching band closings. These two fashions will be among those presented Friday night. Tickets are selling at \$1.

Fashion Revue Friday

"Fashion Flare Up Of The 30's" is the theme for a style show to be held Friday night, September 6, at 8 p.m. in the ballroom of the Student Union Building at West Texas State University.

Sponsored by Chi Upsilon chapter of Beta Sigma Phi sorority, the fashion event will feature new fall ideas from De'Ons of Canyon.

Tickets for the revue are available from members at \$1 and will also be provided at the door. A variety of door prizes will be awarded through participation by local merchants.

Miss Vickie Daniels will serve as fashion moderator for the event and intermission entertainment will include the

"Corporation Quarter" which will sing three numbers, a dance group directed by Barbara Banks, and flash introductions of the models.

Modeling for the revue will

be Ernestine Costley, Sibyl Burrows, Lavonne Costley and Monita Benham of the Chi Upsilon chapter; Joan Veazey, Charlotte Hemphill and Lida Crow of Amarillo; Cynthia Massey of Dallas; Reechia Martin, Rhonda Martin and Debbie Martin of Wildorado; Anna B. Robinson, Leona McFarland, Donna Magness, Willa Elliott and Alicia Airhart of Happy; Janine Wilson of Borger; and from Canyon will be Emily Davis, Shelley Davis, Sheila Payne, Leta Gill, Pam Richardson, Shelly Taylor, Cindy Schrib, Gail Downing, Brenda Keeling, Carol Fite, Beverly Brown, Lynn Gill, Sue Ann Davis, Donna Dortch, and Billie Irwin.

Local Artists Place In "Forty Best"

Several Canyon artists received high honors at the Forty Best Art Show sponsored by the Amarillo Fine Arts Society.

Winning artworks will be on exhibit in the new Amarillo Civic Center through September 10. Exhibit hours will be 3-8 p.m.

Martha Hughes of Canyon won first prize in the traditional division of the show with a watercolor portrait, "Mary Kay" which was done while attending Texas Technological College Field Art School in Taos, New Mexico earlier this summer. The field school is directed by Dr. Clarence Kincaid, formerly of Canyon and now professor of art at Texas Tech. Miss Hughes won third place in the show last year with an oil portrait of Sarah Gonzales.

Daughter of Dr. and Mrs. Jack T. Hughes of Canyon, Miss Hughes was a 1967 graduate of Canyon High School and attended Arizona State University in Tempe last year on a Scholastic Magazines Scholarship won in national competition. She will enroll as a sophomore later this month at the University of Texas in Austin.

Other prizes in painting went to Don Ray of Canyon for an oil "Visitors". Ray won a second place in the traditional division of the show. He received the B. S. degree from West Texas State University and is a graphics specialist with the Panhandle Educational Services Organization. He and wife, Marilyn, have two daughters.

Nancy Werner of Canyon received a second place in contemporary painting for "Falstaff", a watercolor.

Another Canyon artist, Jim Ward, has several works showing at the Amarillo Civic Center. Ward's "Prairie Mother", a wax model buffalo, is among the large collection of art being

shown for the grand opening of the center. Ward is a former amateur and professional cowboy and works in the western theme. He began sculpture in 1965 and has exhibits in a number of galleries throughout the Southwest with one of his paintings presently being shown at the Laguna Gloria Museum in Austin.

Methodists Set Classes

First Methodist Church of Canyon will sponsor a college class for both single and married students of West Texas State University this fall.

Both college oriented classes will meet at 9:45 a.m. on Sundays. Regular worship hours at the church are 9 a.m. and 10:50 a.m.

All college age students are invited to attend the church.

SERGIU LUCA

Mr. and Mrs. Carl Miller and daughter, Carolyn, spent the Labor Day week end at South Fork, Colorado as houseguests of his sister, Mrs. Bill Watson, and family.

Sergiu Luca Slates WT Benefit Concert

Sergiu Luca will be presented by the West Texas State University Music Department in a benefit violin recital for its scholarship fund Sept. 30, according to Dr. John Green, head of the department.

Luca, a Leventritt Foundation-sponsored artist violin will be presented in the Fine Arts Building Theatre on the WTSU campus at 8:15 p.m.

Admission is by a \$2 donation from adults and \$1 from students and no seats will be reserved. Tickets will be sold in the order requests are received.

Ticket orders should be addressed to the Department of Music at WTSU.

Luca, a 25-year-old Israeli violinist, was brought to the United States by Isaac Stern.

He completed his violin studies with Ivan Galamian at the Curtis Institute of Music and was aided by the American-

Israel Cultural Foundation which helped him further his education and provided him with an Italian instrument made by Francesco Ruggeri.

At the age of four, a Gypsy in his native Roumania gave Luca his first violin lesson.

Luca attended the Bucharest Conservatory and continued his study in Israel where he emigrated with his parents. He also studied with Max Rostal in London and Switzerland.

As winner of the Philadelphia Orchestra Youth Auditions, Luca began his career in the US and was a finalist in the Leventritt competition and one of

the winners of the 1965 Sibelius competition.

He has appeared with the New York Philharmonic under Leonard Bernstein in the nationwide telecast of the "Tribute To Sibelius" and later performed the Sibelius Violin Concerto in Carnegie Hall.

Luca toured Europe in 1967

and returned to Israel for concerts. He performed 20 concerts with the Indianapolis Symphony and has appeared as soloist with leading orchestras in Detroit, Oklahoma City, Rochester, Richmond and San Diego. He will be accompanied by George Eason, assistant professor of music at WTSU.
